WEDNESDAY, SEPTEMBER 12, 2018

6:00 - 7:30 PM

PLEASE RSVP FOR THIS COMPLIMENTARY EVENT

by September 5th to Terri Thompson - [terri@visitthemap.org](mailto:terri@visitthemap.org) - 913.333.3503

This invitation admits two

Please include your name, graduation year, contact information and guest name

World-renowned artist Xavier Cortada will open an exhibition of his famed banners, which depict the five experiments used to make the Nobel prize-winning discovery of the Higgs boson particle. This stunning exhibition will open to the public at the Museum at Prairiefire's Sprint Gallery on September 13th. Learn more by using the link in this email.
