CALENDAR OVERVIEW

WRITING SUPPORT (green)
Take your writing and editing skills to the next level by participating in events focused on fellowship and grant writing, developing IRB protocols, and formatting theses and dissertations.

ACADEMIC, RESEARCH, AND TEACHING SUPPORT (orange)
Learn about your ethical responsibilities as a researcher, data acquisition, developing strong mentor-mentee relationships, and pedagogical tools to assist you as a teaching assistant or future faculty member via our professional development offerings.

BEYOND ACADEMIA (gray)
Attend social and networking events hosted by the Graduate Student Association, career fairs and expos sponsored by the Toppel Career Center, and sessions focused on promoting personal wellbeing led by the Counseling Center.

At the Graduate School, we are committed to your professional development, your intellectual growth, and your post-graduate success. Our goal is to develop innovative scholars, inspiring educators, and transformative leaders who can be agents of change in our global community.

We invite you to enrich your graduate experience and become an active member of the University of Miami community by attending workshops, seminars, presentations and events hosted by the Graduate School and our University partners.

STAY CONNECTED AND CURRENT

Visit our events page at grad.miami.edu/about-us/grad-events-and-calendar for event details and descriptions. We will be adding events and updates throughout the semester, so make sure to stay connected!
