

## SUGGESTIONS FOR GIFTS

If you plan to bring gifts here are some suggestions to keep in mind, as we are a pediatric health care facility:

- Any items that promote violent and aggressive behavior, are not permitted (this includes foam nerf guns).
- All toys must be safe, please avoid toys that can break easily or have small parts (this includes toys from the dollar store).
- **Due to allergies, NO LATEX BALLOONS**
- We are unable to accept **scooters/ride-on toys** for liability reasons
- Select **gifts of similar value** so the distribution will be fair to all children.
- **For the health and safety of our patients, all toys must be new and unwrapped.**
