

The Program consists of Creative Atelier: four exercises are proposed for building capacity to excel conceptually and being resolutely communicative in a short term. The exercises are accompanied by a teaching team of four architects and assistants. The Creative Atelier includes intern lectures, weekly reviews by RCR Arquitectes, and the optional participation in a module of the Dance Program for exploring the relation between body and space.

Open Program: an exhibition, a cycle of conferences and parallel activities, open to the public.

Excursions: Visit to build works by RCR Arquitectes.

Directors: RCR Arquitectes - Rafael Aranda, Carme Pigem, Ramon Vilalta

Site: Barberí Space, Calle Fontanella 26, 17800 Olot (Girona), Spain, from July 30 to August 17, 2018.

Certificates: participants of the International Workshop of Architecture and Landscape will receive two participation certificates issued by RCR BUNKA Fundació Privada and the School of Architecture of Barcelona (ETSAB).
